

Instructions for completing Allergan's Device Tracking Form for **NATRELLE® Silicone-Filled Breast Implants and NATRELLE® 410 Highly Cohesive Anatomically Shaped Silicone-Filled Breast Implants**

IMPORTANT: Read and remove these instructions prior to completing the Device Tracking Form. For Device Tracking purposes the physician/health care facility **MUST** notify Allergan upon implantation, explantation or when a **NATRELLE®** Gel-Filled Breast Implant is discarded or destroyed. Failure to comply could result in violation of Federal law.

Healthcare facility, please complete the following sections of the form:

I. Complete upon Implantation

a. Device and Surgery Information

For implantation surgery, affix the breast implant label attached to the inner product box labeling to page 1 of the forms and place the device tracking label to page 2 of the forms, L for the left breast implant and R for the right breast implant. If labels are not available, please record the catalog number (REF) and serial number (SN) in the space provided for each page of the form.

b. Implanting/Explanting Physician Information

c. Attending /Following Physician Information

d. Patient Information

II. Complete only for new devices opened and discarded/destroyed

Complete this section if **NATRELLE®** Gel-Filled Breast Implant(s) were opened and not used for any reason during surgery and discarded or destroyed. If not applicable, mark N/A. If applicable, provide serial number(s), date of occurrence and reason/comments in the space provided. Allergan requires the device to be returned if defective, otherwise if available, you may choose to return it to: 71 S. Los Carneros Rd., Goleta, CA 93117, Attn: Allergan Device Analysis Laboratory with contact information, serial number(s) and reason for return.

III. Complete if NATRELLE® Gel-Filled Breast Implant(s) were removed

After completing the Device Tracking Form and ensuring that the serial number information is on each form, remove page 1 and fax to Allergan. Provide page 2 to the patient, for completion of enrollment in the Allergan Device Tracking program.

Upon receipt of the first page of the form by Allergan, patient specific information is entered in the Device Tracking database. Patients who do NOT wish to participate in the Device Tracking Program or choose NOT to release their information to any third parties, such as the FDA, check the appropriate box and Allergan will remove their personal information from the database upon receipt of their form.

Required Information To Be Completed By The Patient

Dear Patient:

Please complete this section and fax this page to Allergan at 800.432.8803 or return by mail to the address at the top of the form.

 My surgeon provided me with Allergan's *NATRELLE® Silicone-Filled Breast Implant Patient Planner* or Allergan's patient labeling, *Breast Augmentation/Reconstruction with NATRELLE® 410 Highly Cohesive Anatomically Shaped Silicone-Filled Breast Implants* and I had adequate time to review and understand the risks and benefits of breast surgery. Yes No

Per federal regulation, your patient specific information has been provided to Allergan for Device Tracking purposes. If you DO NOT wish to participate in the Device Tracking program, please check this box.

 No, I do not want to participate in the Device Tracking Program

As part of the Device Tracking program Allergan may occasionally be asked to release patient information to a third party, such as the FDA. If you choose to participate in the Device Tracking Program but DO NOT want Allergan to release your patient specific information please check the box below.

 No, I do not want my patient specific information to be released to any third parties
