

OPTIVE[®] Sensitive[™] Eye Drops

Indication:

OPTIVE[®] Sensitive[™] Eye Drops are for the temporary relief of burning, irritation and discomfort due to dry eyes or exposure to wind or sun. May be used as a protectant against further irritation.

Each mL contains:

Carmellose sodium 5 mg.
Glycerin 9 mg.
No antimicrobial agent.

Directions for Use:

Make sure container is intact before use. To open, completely twist off tab, then pull to remove.

Dosage:

Instil 1 or 2 drops into each affected eye(s) as needed and discard unused contents.

Precautions:

For external use only. Keep out of reach of children. To avoid contamination, do not touch tip to any surface. If you experience eye pain, vision change, continued redness, eye irritation, or if the condition worsens or persists for more than 72 hours, discontinue use and consult a doctor. If solution changes colour or becomes cloudy, do not use.
