

REFRESH[®] Eye Drops

Indication:

REFRESH[®] eye drops provide comfortable relief of irritated, dry and tired eyes. They can also be used for in-eye re-wetting of contact lenses.

Each mL contains:

LIQUIFILM[®] (polyvinyl alcohol) 14 mg.
Povidone 6 mg.
No antimicrobial agent.

How to Use:

Make sure container is intact before use. To open, completely twist off tab, then pull to remove.

Dosage:

Instil 1 drop in the affected eye(s) as frequently as required and discard unused contents.

Precautions:

For external use only. Keep out of reach of children. If irritation persists or increases, discontinue use and consult your healthcare professional. To avoid contamination, do not touch tip to any surface.

Pack sizes:

10 x 0.4 mL sterile eye drops
30 x 0.4 mL sterile eye drops

Storage:

Store below 25°C

Scheduling:

Unscheduled
