

OPTIVE ADVANCED[®] Preservative-Free Lubricant Eye Drops

Indications:

OPTIVE ADVANCED[®] Preservative-free Lubricant Eye Drops are for the temporary relief of burning, irritation and discomfort due to dry eyes or exposure to wind or sun. May be used as a protectant against further irritation.

Each mL contains:

5mg Carmellose sodium
10 mg Glycerin
5 mg Polysorbate 80
No preservative

Directions for use:

Instil 1 or 2 drops in the affected eye(s) as needed and discard the unused contents. Can be used as often as needed. Please retain carton for future reference.

Precautions:

For external use only. Keep out of reach of children. To avoid contamination, do not touch tip to any surface. If you experience eye pain, vision change, continued redness, eye irritation, or if the condition worsens or persists for more than 72 hours, discontinue use and consult a healthcare practitioner. If solution changes colour, do not use.

Pack Size:
