

Prescribing Information

PVA TEARS™ Eye Drops

Indication:

PVA TEARS™ eye drops soothe and lubricate dry eye(s) and provide greater comfort and longer wearing time of hard contact lenses.

Each mL contains:

Polyvinyl alcohol 14 mg.

Benzalkonium chloride 50 micrograms (as preservative).

Dosage:

One drop in the eye as needed or as directed.

Precautions:

For external use only. Not for use with soft contact lenses. Keep out of reach of children. If irritation persists or increases, discontinue use. Keep container tightly closed. Do not touch tip to any surface as this may contaminate the solution. Discard unused contents 4 weeks after opening. Contents are sterile if seal is intact.

Storage:

Store below 25°C

Pack Size:

15 mL sterile eye drops

Scheduling:

Unscheduled
