1. Preamble:

Any business is part of a dynamically symbiotic ecosystem, which sustains it and needs sustenance in turn. The true and full measure of growth, success and progress therefore lies beyond financials or conventional economic indices. It is best reflected in the difference that business and industry make to the lives of people. At Allergan, we believe in taking our Corporate Social Responsibilities (“CSR”) seriously and are committed to give back to society recognizing fully well how much we owe it and to make our planet a better place for future generations. We actively look for opportunities to help and support the needy and the underserved in various areas such as malnutrition, promoting education, promoting healthcare, promoting gender equality, ensuring environmental sustainability, culture, sports and such similar areas. These initiatives are independent of the normal conduct of our business. Programs, projects and activities (collectively “CSR Programs”) carried out in this regard are the subject matter of this Policy.

2. Objective:

The objective of this Policy is to operate Company’s business in an economically, socially & environmentally sustainable manner, while recognizing the interests of all its stakeholders and other objects of the Company alongside taking up CSR Programs, directly or indirectly, that benefit the communities and society at large, in enhancing the quality of life & economic well-being of the local populace.
