Refresh Liquigel™ Lubricant Eye Drops provides soothing relief for dry, irritated eyes with a formula that resembles your body's own tears. Refresh Liquigel™ contains a unique, mild, non-sensitizing preservative that, when used, ultimately changes into components of natural tears (sodium chloride + water). Use Refresh Refresh Liquigel™ for long-lasting relief of your dry, irritated eyes as often as needed.

COMPOSITION

Each mL contains
 Sodium Carboxymethylcellulose IP 10 mg,
 Stabilized Oxychloro Complex (Purite) 0.075 mg,
 Purified Water IP q.s.

With Boric acid, Calcium chloride, Magnesium chloride, Sodium borate, Sodium Chloride.

INDICATIONS

For temporary relief of burning, irritation, and discomfort due to dryness of the eye or due to exposure to wind or sun. Also may be used as a protectant against further irritation.

DIRECTIONS

Instil 1 or 2 drops in the affected eye(s) as needed. If irritation persists or increases, discontinue the use and consult your doctor.

WARNING

To avoid contamination, do not touch nozzle tip of the container to any surface. Replace cap after using. If you experience eye pain, changes in vision, continued redness or irritation of the eye, or if the condition worsens or persists for more than 72 hours, discontinue use and consult a doctor.

SIDE EFFECTS

When used as directed, no significant side effects are anticipated. Ocular irritation and allergic reactions have been reported occasionally.

PACKING

Refresh Liquigel™ Lubricant eye drops are available in 5 mL and 10 mL plastic dropper bottles.

Note: Store in a cool place. Protect from light. Medicine keep out of reach of children.

Use the solution within one month after opening the container.
