To facilitate a timely response to requests for access, all requesters should take note of the following when completing the Access Request Form:

- The Access Request Form, attached as Annexure "1" hereto, must be completed.
- Proof of identity is required to authenticate the identity of the requester – in addition to the Access Request Form; requesters will be required to supply a certified copy of their green bar-coded identification document or a valid passport document.

- Type or print in BLOCK LETTERS an answer to every question.
- If a question does not apply, state “N/A” in response to that question.
- If there is nothing to disclose in reply to a particular question state “NIL” in response to that question.
- If there is insufficient space on the printed form, additional information may be provided on an additional attached folio.
- When the use of an additional folio is required, precede each answer with the applicable title.

Please note that the successful completion and submission of an access request form does not automatically allow the requester access to the requested record. An application for access to a record is subject to certain limitations if the requested record falls within a certain category as specified within Part 3 Chapter 4 of the Act.

If it is reasonably suspected that the requester has obtained access to records through the submission of materially false or misleading information, legal proceedings may be instituted against such requester.

SUBMISSION OF ACCESS REQUEST FORM

The completed Access Request Form together with a certified copy of the requester’s identity document must be submitted either via conventional mail, e-mail or fax and must be addressed to the contact person as indicated above.

An initial request fee of R57.00 (including VAT) is payable on submission of the request. This fee is not applicable to Personal Requesters, referring to any person seeking access to records that contain their personal information.

NOTIFICATION

The Information Officer will, within 30 (thirty) days of receipt of the request, decide whether to grant or decline the request and give notice with reasons (if required) to that effect.

This 30 (thirty) day period may be extended for a further period of not more than 30 (thirty) days, if the request is for a large volume of information, or the request requires a search for information held at other offices of Allergan SA and the information cannot reasonably be obtained within the original 30 (thirty) day period. The requester will be notified in writing should an extension be sought.

10.2 GROUNDS FOR REFUSAL OF ACCESS TO RECORDS (CHAPTER 4)

The main grounds for refusal of a request for information are:
